Axera Modulo Slim

Axera Modulo Slim mechanism

Designed for narrow cabinet spaces, this pull-out unit makes efficient use of available storage space. The two-level structure allows small spice jars to be stored on the upper level while taller bottles can be placed on the lower level, supporting organized and easily accessible storage. The colour of the mechanism is anthracite.

Product Highlights

Double-level | Zoned | Quiet | Anti-slip | Heavy-duty | Durable

Dim. mm	Cabinet width	Width	Depth	Height
M15	150	105	461	474
M20	200	155	461	474
